KOREAN BBQ

Our Promise of Quality

좋은 품질의 약속

At Hwaro, we carefully select and source beef that is Prime grade or above in Canada and is aged in our in-house wet-aging cooler for 21-42 days, allowing it to develop its optimal flavor and tenderness.

CANADIAN PRIME

Canadian prime grade beef features abundant marbling; Red meat laced with an even distribution of fat. The presence of this fat creates a more tender and juicy cut of beef that cooks well in all conditions, only 2% of graded beef in given prime grade.

*Steaks are served with a bowl of Rice, traditional Korean side dishes and soy bean paste soup.

*Minimum 2 orders required to steaks at your table. Side dishes can be refilled one time only.

* Add trio of Banchan - \$5

* Add Ssam (Lettuce wrap) - \$3

* Korean Steamed Egg 계란찜 鸡蛋羹 - \$6
